

### Semester Dates

At TUM, there are two semesters per academic year:

Winter term: October - March

Summer term: April - September

The exact dates for the lecture periods during these semester vary slightly and can be found [here](#)

. We admit new students every semester.

### Application and Registration

Application deadlines:

Winter term: May 15

Summer term: November 15

The registration platform for filling out and uploading your application will open 1 month before each of these deadlines. Registration is not possible outside of these application periods.
